Long-standing, tried and tested robustness through a variety of installations

Large format variety as well as availability in all listed décors

### NATURE MEETS SUSTAINABILITY

For the sake of our environment and for the future:
Count on Topalit for sustainability.

Topalit only uses wood from PEFC-certified Austrian suppliers from sustainably managed forests.

No tropical or recycled wood is used.

Topalit tabletops meet the highest emission standards.

All Topalit products are produced at our factory in Ampflwang / Upper Austria. This gives you the assurance of a renowned Austrian quality brand.

Topalit tabletops are natural products and are recyclable.

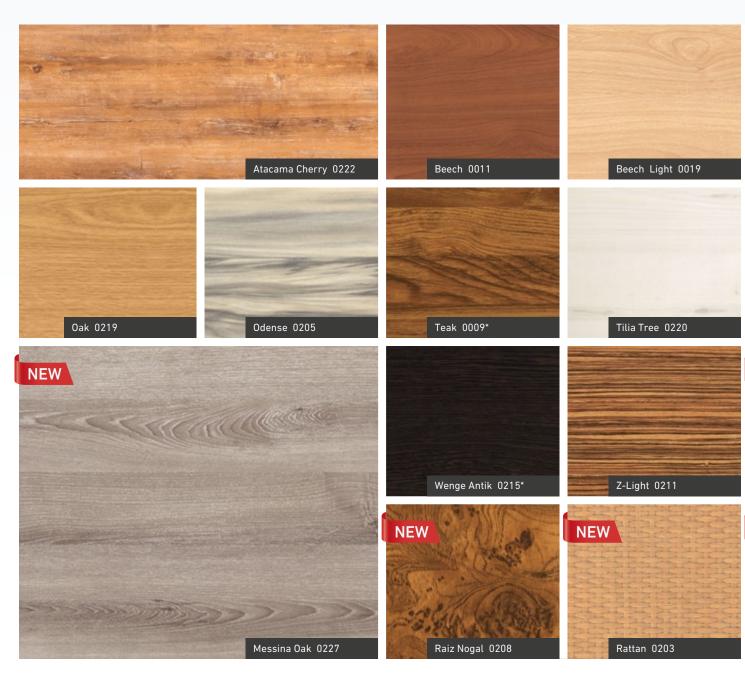

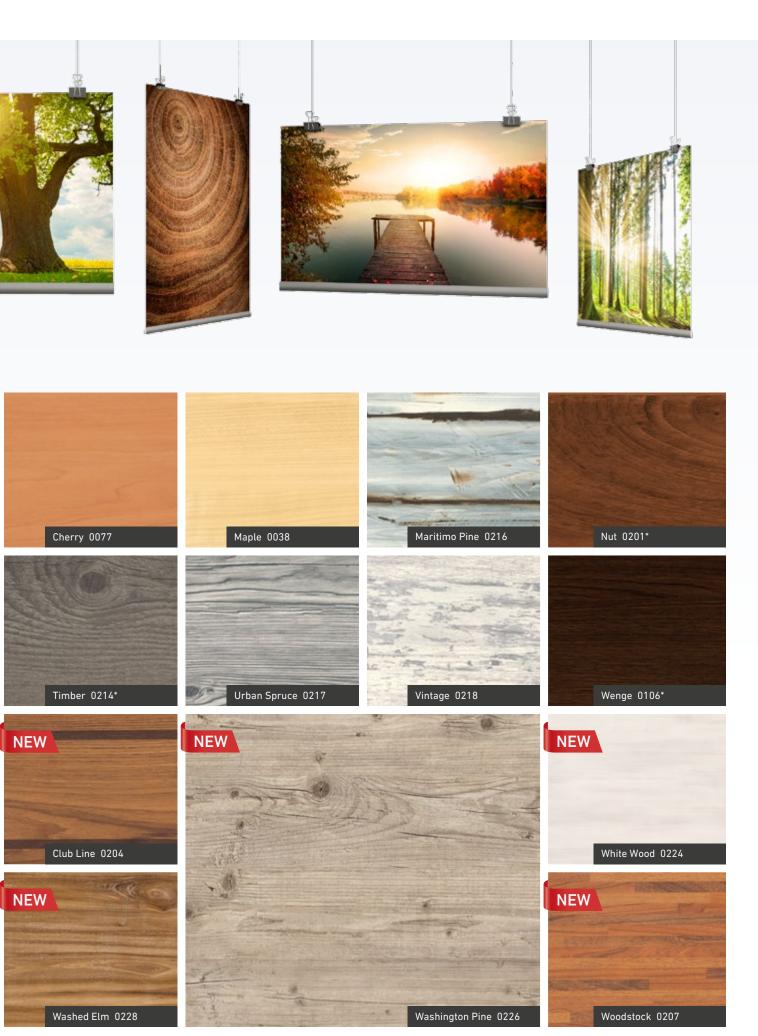

TÜV [Technical Inspection Association] certified quality and tested according to strict safety standards.

## WOOD DESIGNS.

Give your ambience a unique style. This is accomplished with the wooden appearance in a highly superior way. Aesthetically pleasing, elegant and perfectly shaped.

\* Certain dark décors and logo tabletops are only suitable for use in direct sunlight to a limited extent.

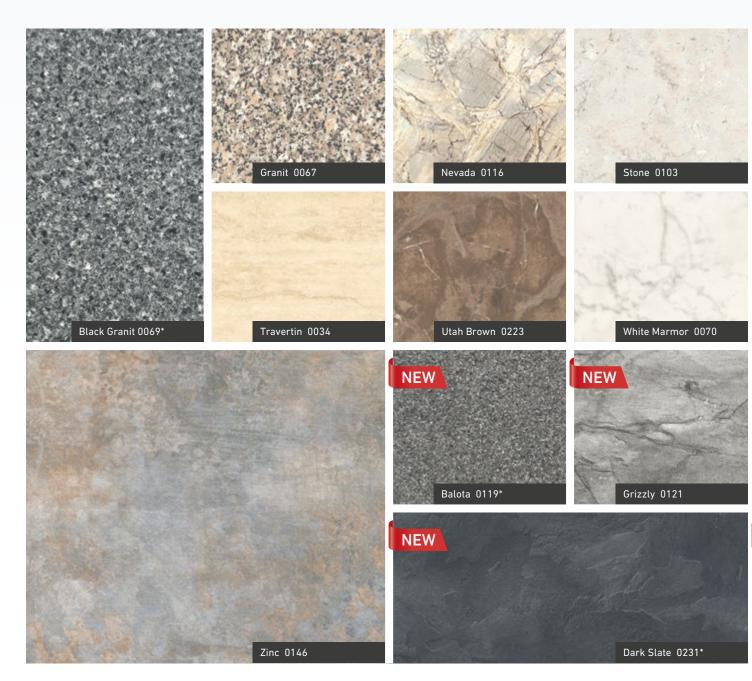

Attention should be paid to the use of high-quality table bases.

# STONE DESIGNS.

The right stone look for your ambience is a question of individual taste. Noble coffee tones, creamy hues of sand or puristic slate look – take your time over your personal stone design and be inspired by the following selection.

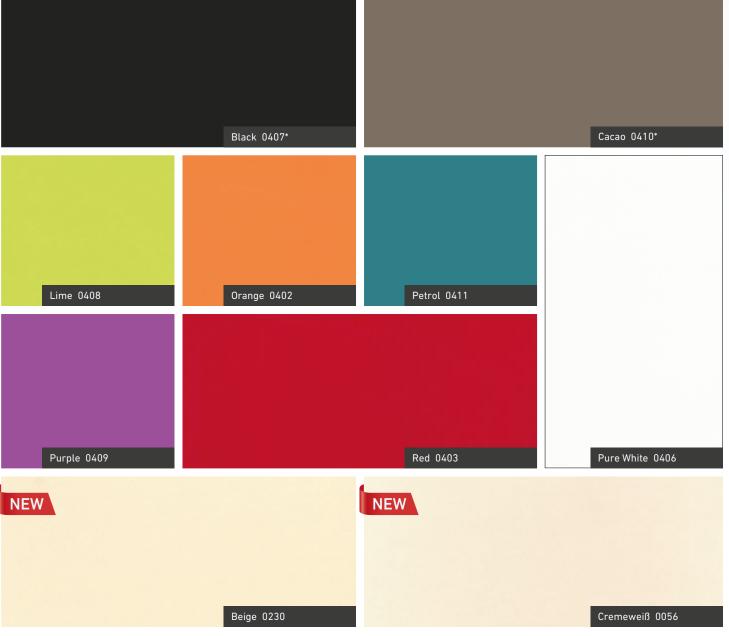

# SOLID COLOURS.

The silky, matt uni décors give the tabletop an incomparably delightful, warm-looking touch and a pleasant, simple look with a charming character.

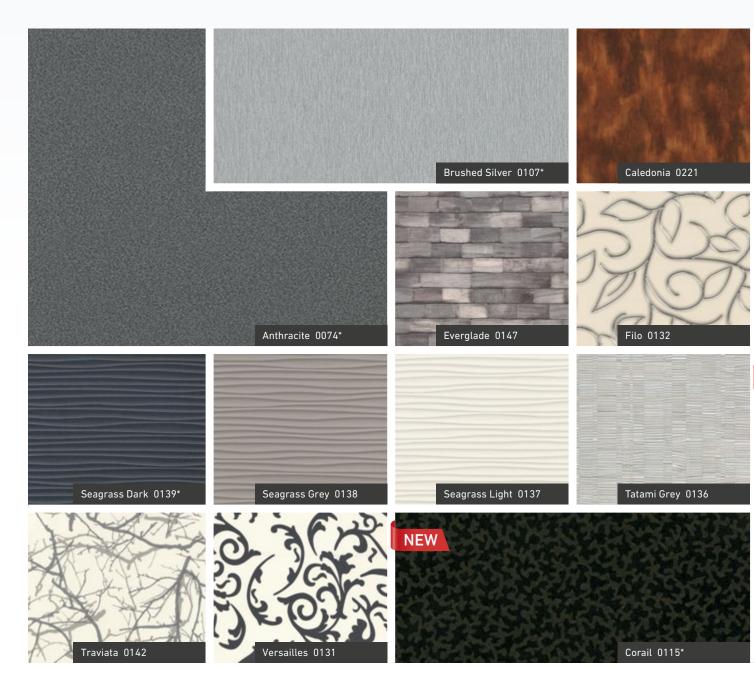

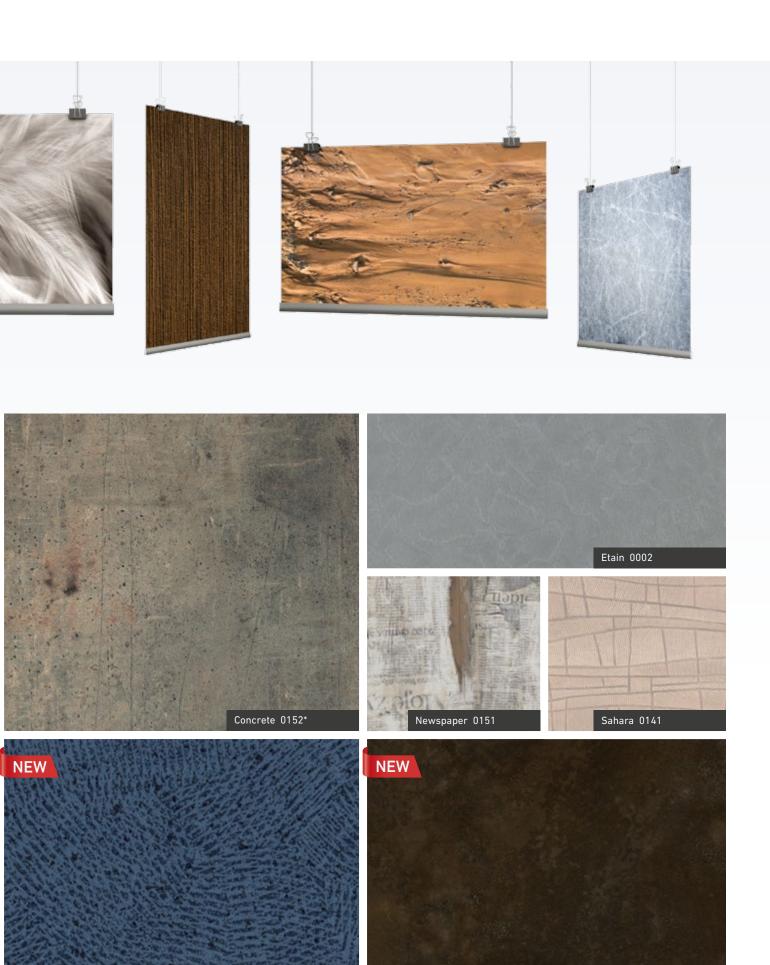

## GRAPHIC DESIGNS.

The tabletop "Design" look is one of the most exciting ways to express the individual way of life in your ambience. This look reflects not only personal style but also taste.

Storm Blue 0020

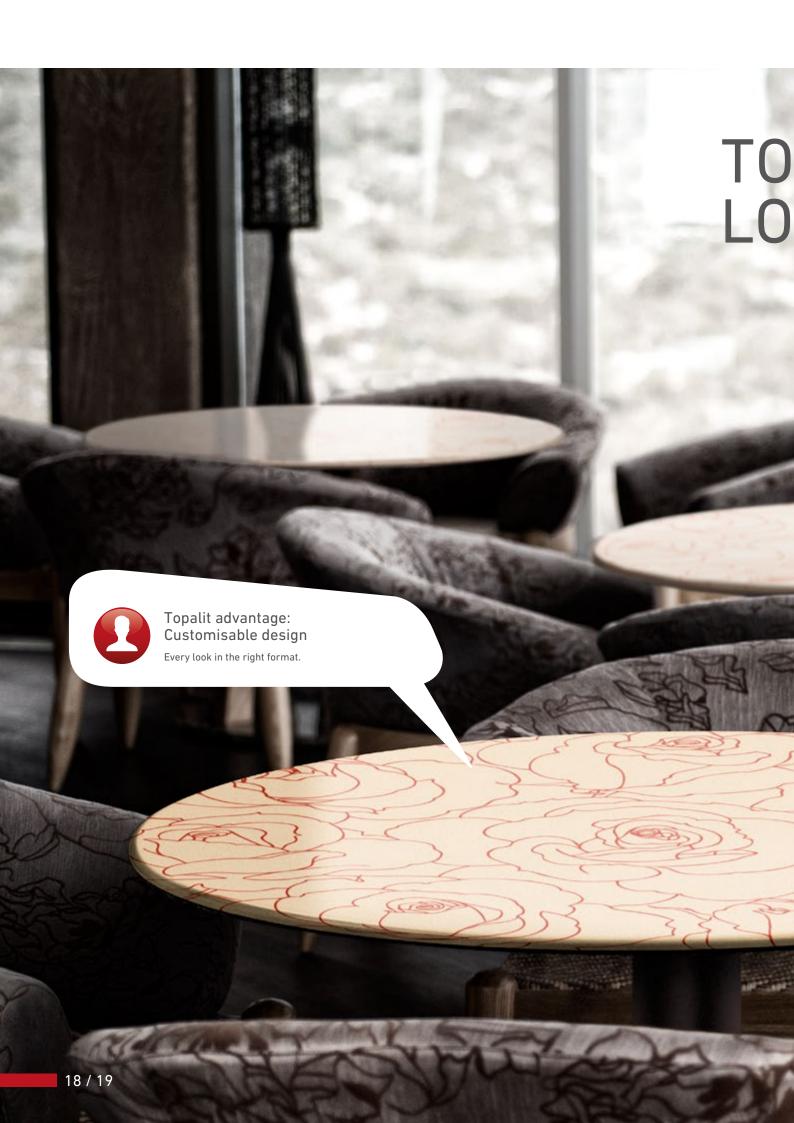

\* Certain dark décors and logo tabletops are only suitable for use in direct sunlight to a limited extent.

Attention should be paid to the use of high-quality table bases.

# **HUMAN AND** DESIGN - LOGICAL Put your logo on the table. They are the perfect communication platform for your brand, whether n a football stadium, at events and exhibitions, promotion, or as a permanent advertisement. Absolutely customisable – completely free design possible Whether a brand, franchise or sports club look: Your individual décor fits 100% your chair covers and pillows Again, the scratch-resistant XD surface guarantees solid UV resistance \* and durability Topalit graphic designers will adapt your template perfectly to the desired format Choose between digital printing (fast and flexible in-house) and offset printing

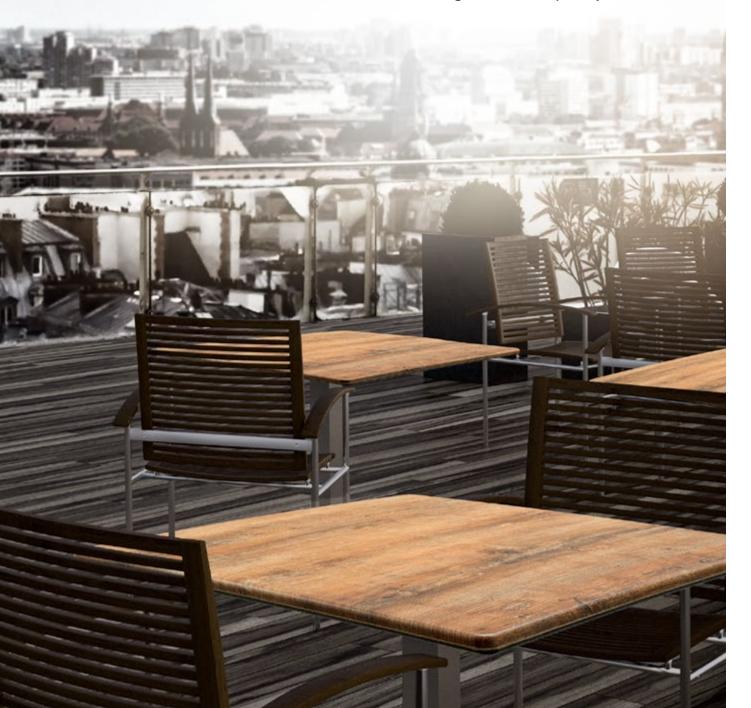

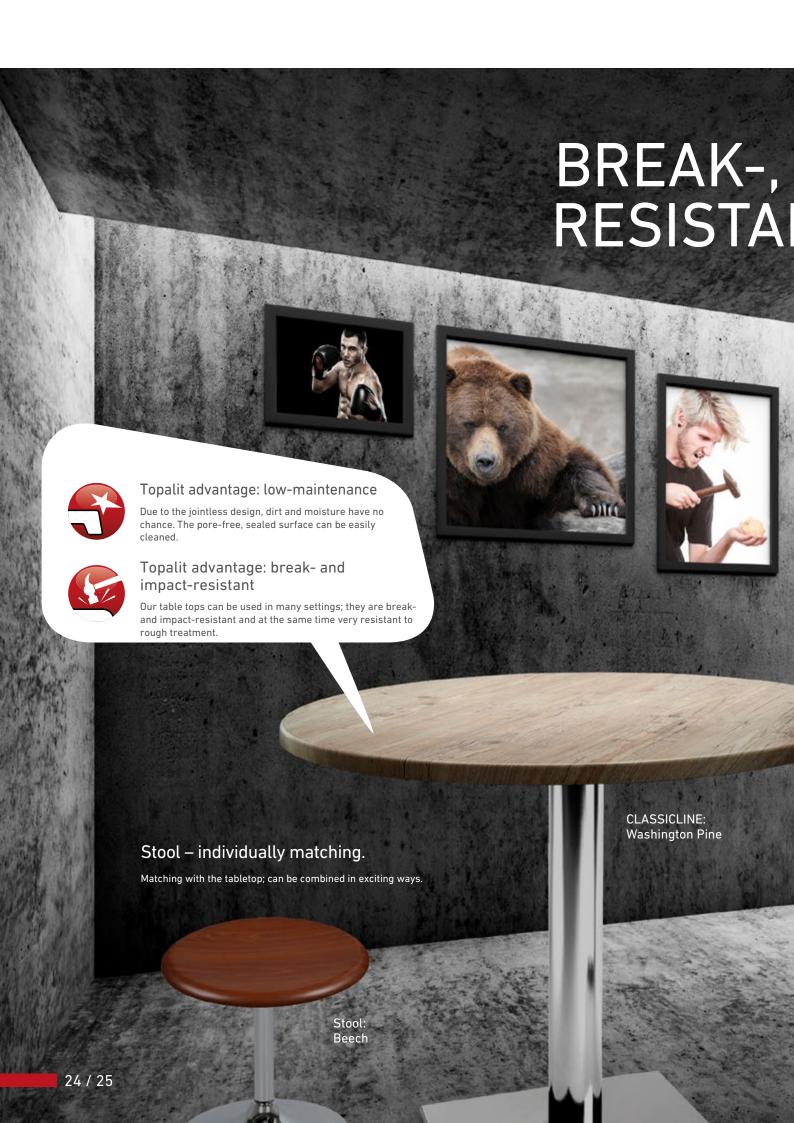

The chosen material is always only a part of a successful tabletop design. The decades of experience of Topalit are evident in every detail and make every tabletop recognisable as quality work.

### IMPACT, AND SCRATCH-NT, LOW-MAINTENANCE

Eating and drinking brings joy when use does not leave lasting marks. Wipe and away is the motto for cleaning. And the tabletops immediately shine again in their natural and timelessly beautiful appearance.

#### School table

So that students and teachers always find the perfect workplace. Regardless of whether it is used as a writing or crafting desk, Topalit is always the optimal, absolutely robust and low-maintenance solution in everyday school life. With extra hard surface, upon request!

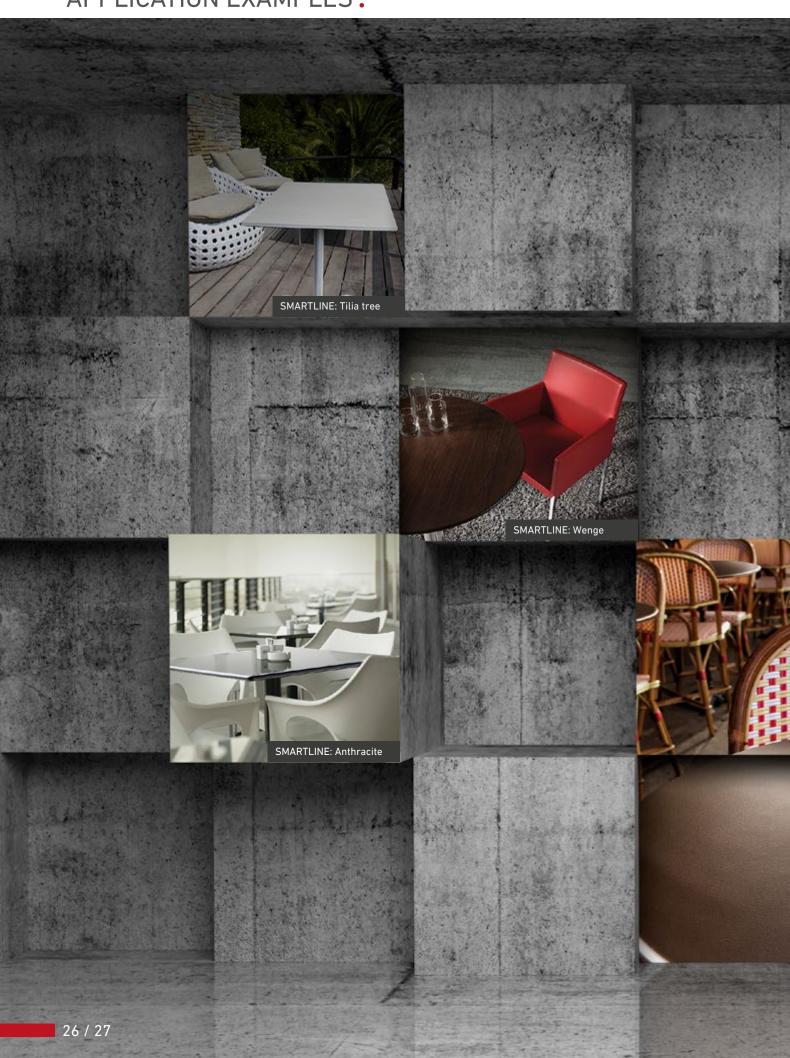

> School table: Bavaria Buche

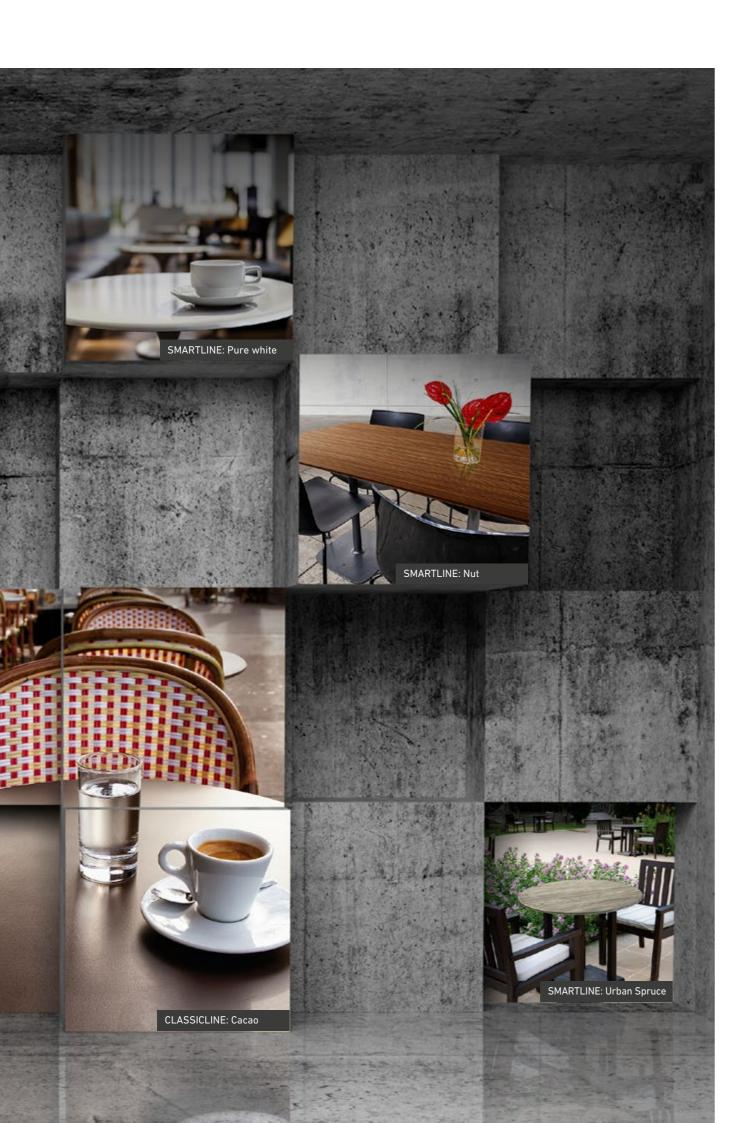

Scratch-resistant XD surface, exclusively at Topalit:

The innovative XD surface of the Topalit tabletops offers increased abrasion resistance and durability.
