ZERO G 1352

Swivel office chair with a lightweight plastic structure. Both seat and backrest are upholstered with a breathable mesh. Available in black or white plastic.

Mechanism	Height-adjustable with a slight rocking movement guarantees correct and comfortable sitting. Locking available.
Backrest + seat	Plastic frame coated with a breathable mesh providing good air circulation. Integrated armrests. Plastic material – polyamide.
Upholstery	To be selected from SHRINX mesh collection. Composition 70 % polyester, 30 % polyamide. Abrasion resistance 170 000 Martindale. Pilling resistance – group 4/5. Light fastness – group 5/7. Flammability – DIN EN 1021-1.
Base	Stable five-star base ø 700 mm, black, polyamide.
Castors	Black hard castors ø 60 mm, braked – depending on the load, for soft floor surface (as per DIN EN 12529). The chair does not move when released which reduces the risk of accident.
Plastic components	Coloured, black or white (optional). Colour stability is guaranteed even in case of deep scratches.
Optional	• White plastic rendition • Base ø 700 mm – white plastic • Base ø 700 mm – polished Alu • Castors – soft, braked • Universal castors with white ring • Tall glides (60 mm) • Tall glides (60 mm) with felt
Certificate	This product meets the European dimension and safety standards as per EN 1335. All materials can be easily dismantled for waste separation and recycling. The chair meets the requirements for easy and intuitive use, maintenance, and service.
Warranty	5 years (see Terms and conditions)
Packaging	0,554 m3
Weight	9,1 kg
